

## Parent /Carer Survey

At Abbey Mead, we aim to provide a stimulating and challenging learning environment where all pupils can attain their full potential. We are keen to seek your views on how well we are doing, what we could do to improve further and hear your thoughts on any further comments that you might have. Your feedback will help us evaluate where we are at present and help us to plan for continual improvements.

The questionnaire can be found here

<https://www.qdpsurvey.co.uk/OnlineQuestionnaire?code=26911-65408-32999276>

Please note all completed questionnaires will be analysed by QDP Services, an independent data processing company, who will treat all responses in the strictest confidence.

Thank you for your continues support.

## Winter Warmers Giveaway

Our winter warmers giveaway is underway again! We have lots of coats, jumpers, hats and scarves to give away to families who can use them. Our winter warmers project was highly successful last year when we gave away lots and lots of good quality clothing to families in need.

If you would like to donate any good quality coats or school uniform jumpers, please drop them off to our school office. These will then be added to the giveaway collection.

The giveaway will take place every Friday in the school library from 3.00 pm to 4.00 pm.

Please come along and have a look.

## Full Time applications

Online applications for Reception places are now open. It is important that all children have been registered to apply for a full time place by 15th January to secure a place at school.

Families with children born between 1st September 2020 and 31 August 2021; applications must be made before the closing date of midnight on 15th January 2025. All school preferences submitted between 2nd September and 15th January will be given equal consideration according to the schools' admission criteria.

If you need any support with your application, please contact the school office and we will be happy to help.

For more information or to make an application, please visit the Leicester City Council Website:

## #Mead2030 x Mead Student Executive Team: A Vision for a Sustainable Future

Executive Team colleagues were thrilled to welcome our new Mead Student Executive Team at the end of October—a powerhouse of young leaders from Y6 and Y10 who are passionate about representing their peers and collaborating with the Mead Executive Team.

In their first meeting of the year, these remarkable pupils launched their plans for our climate and sustainability strategy, an essential part of the #Mead2030 vision. They brought valuable feedback from their classmates on how our schools can reduce daily environmental impact, raise awareness around sustainability, and inspire change within our school communities.

Their ideas? Both practical and ambitious! From advocating for solar energy and reducing paper usage to proposing junior premises officers and introducing our very own sustainability mascot (with Schools Director Mr Hague as a prime candidate!), their enthusiasm and creativity were inspiring.

We're excited to see these young leaders' initiatives come to life, making a positive, lasting impact not only for our schools but also for the wider community.

## Abbey in Need—Friday 22nd November

We are having a non uniform day on Friday 22nd November to raise money for our new project - a new sensory room for our SEND children. **Children and staff are invited to come to school in non uniform and bring £1 (or any amount that you can afford) to help raise funds for our new project.**

We believe in nurturing every child to achieve their full potential. Today, we're reaching out to our community with a dream: to create a sensory room that will transform the lives of our children with Special Educational Needs and Disabilities (SEND).

For many of our children with SEND, the usual classroom environment can be overwhelming. The sensory room will be a place where our special children can thrive and feel at home. We want to create a cozy space filled with soft lights, soothing sounds, and various textures. It will be a place where children can rest gently or explore fascinating tactile experiences. We see a space where breakthroughs happen daily, and every Abbey Mead child feels valued.

Please feel free to contact the school to find out more about this project.

We are keen to raise awareness of SEND so we will be sharing information here every week.

## Abbey News @AbbeyMead\_TMET

Our annual Diwali show was a huge success this year. Tickets were a sell out again!

On Wednesday 13th November, the Abbey Mead stage was shining with amazing talent. The performance portrayed the story of Diwali with excellent acting, wonderful singing and graceful dancing from our wonderful children.

Well done to all the children and staff who put in a lot of hard work into this event.
